**Representative for Southern Ohio, Kentucky**

Armstrong Pump Circulators Balancing Solutions and Hydronics are established leader in fluid flow innovation and is internationally recognized for design efficiency, long service life and operating economy.

**Representative for Ohio, Kentucky, Indiana**

A leading manufacturer of packaged pressure booster systems insuring uniform water supply, reduced costs, and reduced floor space requirements. Armstrong Fire Systems meet UL, FM and NFPA requirements.

**Representative for Ohio, Kentucky, W. Pennsylvania, W. Virginia**

Manufacturer and distributor of thermoplastic fluid flow solutions including valves, actuators and piping systems to industrial, chemical, wastewater treatment and high purity markets.

**Representative for Ohio, Indiana, Kentucky, W. Pennsylvania, W. Virginia**

Modular board, insulation, vapor barrier, and radiant floor tube holding grid that allows for simplified installation of hydronic radiant floor heating systems.

**Representative for Ohio & Kentucky**

Mueller Steam Specialty is the world's largest supplier of strainers and the number one provider of specialty products serving the valve industry.

**Representative for Ohio, Indiana, Kentucky**

Provider of antifreeze and heat transfer fluids for hydronic, solar, geothermal and chiller systems.

**Representative for Ohio, Kentucky**

Leader in complete control solutions for radiant floor and baseboard heating systems, multi-stage boiler plants, and automatic snow melting systems.

**Representative for Ohio, Indiana, Kentucky**

Premier manufacturer of plumbing valves including PRV's, control valves, backflow preventers, gate/globe/check valves, butterfly valves, hydronic heating valves, water heater installation products, quick-connect fittings.

**Representative for Ohio, Indiana, Kentucky**

Hydronic and electric radiant heating solutions for floor heat, snow-melting and turf warming.

Disney-McLane is committed to providing you with superior customer service & solutions for all our technical hydronic offerings. We have recently transitioned David Harbison from *outside sales* to *technical inside sales* to help maintain our high-level reputation of service at DMA .

Please do not hesitate to contact us with *any* of your hydronic needs!

## ***Meet Our Hydronic Experts***

***Phil Burkhardt - Outside Sales - All DMA Territories***

Email: [philb@disney-mclane.com](mailto:philb@disney-mclane.com)

*Hydronic & Steam Specialist.* Phil started with Disney McLane in January 2013, with over 25 years of hot water and steam experience with wholesalers and reps.

***David Harbison - Inside Sales***

Email: [davidh@disney-mclane.com](mailto:davidh@disney-mclane.com)

*Hydronic & Pump Specialist.* David has recently joined DMA in 2014 providing application and sales support of pump and hydronic systems. He has over 35 years of industry experience and an Economics degree from Bellarmine University. Starting as a contractor, the last 20+ years have been in design, and sales of pump (HVAC, Plbg, Fire) and hydronic systems.
